

KELOWNA MEN'S BASEBALL LEAGUE 2026 Season

The Kelowna Men's Baseball League is a Senior Men's baseball organization, with players ranging in age from 20 to 50-plus, many of these players currently compete or have competed in Canadian and US college baseball programs.

This year is the KMBL's 5th season, we field Senior AA teams that compete for a Provincial title as well as field a Senior AAA team that competes provincially to represent B.C. at Nationals, both under the umbrella of Baseball B.C. and Baseball Canada

KMBL players are very proud of their ability to give back to local baseball programs – in 2025 we presented the local umpires group, COBUA, with \$250 towards training in memory of Alex Thompson. In addition, 2 players in our league, Sam Sinitihakis & Tayze Goode, who played locally for COMBA and are attending post-secondary baseball programs each received \$500 bursary in the memory of Keyshon Jackson

Your support helps the KMBL continue to be a viable option for players still pursuing a competitive and a high level of baseball, and helping offset operating costs and supporting local baseball programs and players
